AndreoniCards.com
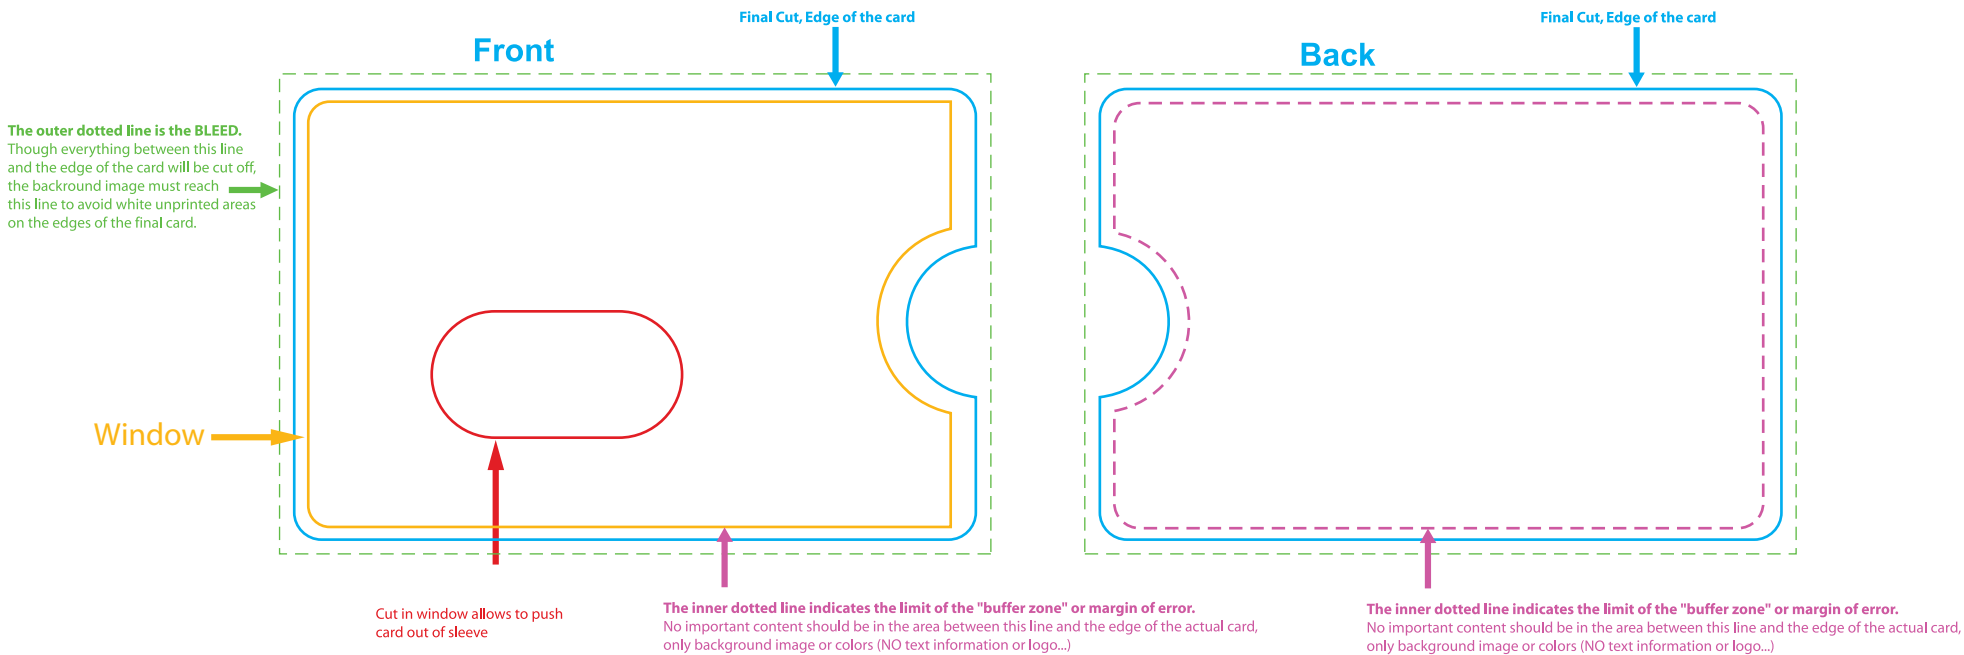

Template for:

➥ Rigid Pastic sleeve with window for business cards, plastic cards, bus passes etc.

Final Cut, Edge of the card

Front

Final Cut, Edge of the card

Back

The outer dotted line is the BLEED.
Though everything between this line and the edge of the card will be cut off, the backround image must reach this line to avoid white unprinted areas on the edges of the final card.

Window

Cut in window allows to push card out of sleeve

The inner dotted line indicates the limit of the "buffer zone" or margin of error.
No important content should be in the area between this line and the edge of the actual card, only background image or colors (NO text information or logo...)

The inner dotted line indicates the limit of the "buffer zone" or margin of error.
